

**PRELIMINARY 2017 INCOME AND CAPITAL GAINS DISTRIBUTION ESTIMATES
AS OF SEPTEMBER 30, 2017**

To assist our shareholders, we have prepared the following preliminary estimates of ordinary income and capital gains for the Centerstone Funds as of September 30, 2017. Mutual funds are required by federal tax law to distribute prior to December 31 virtually all net capital gains that were realized prior to October 31 and all ordinary income earned for the calendar year. These estimates may change due to several factors such as a change in the level of shares outstanding, tax adjustments, realized capital gains and losses during October 2017, and actual versus estimated income.

All dates are tentative and subject to Board approval.
